Ukraine & Moldova

A very Big THANK YOU to all those who donated items to help the Ukrainian refugees and their host countries. Carol and Chris kindly took a car full of medical supplies and other items to Black Dog which then went by lorry to the Poland/Ukraine Border. In addition last Wednesday they took a car and trailer load full of clothes and bedding to the CR2EE drop off point for a lorry which will go to Moldova in the next few weeks. CR2EE will be regularly taking aid to support the Moldovan nation as well as refugees from Ukraine. If you have any good quality clothing/bedding please start to sort them out ready for Carol and Chris who will start collecting them in a few weeks time for another drop off towards the end of the month.

Please pray for all those caught up in recent events and if you wish to give a financial donation to benefit Ukrainian Refugees as well as Moldovan people either by BACS to Christian Response Barclays Bank - 20-30-47 - Acc No: 20902446 Or by cheque to cr2ee and send it to , Hugh Scudder, Braida Garth, Staplake Lane, Starcross. Crediton Foodbank

Current needs are: Loo Rolls, Tinned Tomatoes, Cereals (NOT OATS OR PORRIDGE PLEASE) and Sugar. Thank you

We are so grateful for Steve and his wife Edmonde for stepping in temporarily to keep Foodbank running, but sadly they are moving on in July. We have posted a vacancy for a new Foodbank Coordinator on the Indeed website. Unlike the previous advert this is purely the coordinator role and not the additional support role as previously. We have plans for the support role so watch this space!

The Coordinator's Job Description and Person Specification is attached to the email notices for anyone you know who might be interested.

Closing date for applications including a CV and letter of application is Friday, 8th April and interviews will be on the afternoon of Thursday April 28th.

I am happy for people to email any questions and I will get back to them creditonfoodbank@gmail.com

- We travelled to London on Thursday morning of half term and all was looking good for a relaxed long weekend. Unfortunately, by Sunday Noah had come down with a bacterial infection which has meant an overnight stay in the hospital and 3 days on IV antibiotics in the local hospital. Not quite the week I had planned!
- Good News – Whilst I was unable to be there parents from Morchard's toddler group opened up so that the group could still run. It's great to have the parents happy to do this.
